## Create your account

» Go to [commonwealthplywood.com](http://commonwealthplywood.com)

» Click on «Create an account»

» Registration form

It's that easy! You will need to have your Commonwealth Plywood Customer number. You can find your six (6) digits number in the upper left corner of any invoice. Follow the steps to register and wait for the approbation.

## ADVANTAGES

### Inventory checks:

No need to call an agent, just click on the product to view if it's available at your branch.

### Easy quotes & access to your personalized pricing:

You have access to your prices whenever you want which makes it that much easier to provide quotes to your clients.

### Favourites:

Keep your favourite items handy. You can also organize them by folders.

### Orders and product history:

Easy to navigate through old orders and your recent purchased products history.

# garnica

Challenge the ordinary

## Ultralight and High Insulation Sandwich Panels

Lightness that challenges the impossible

- Ultralight and exceptional thermal insulation
- Perfect dimensional stability matched by an excellent result in elasticity and rupture modules

**ultralight**

### Applications/Uses:

Specifically designed for applications seeking to lighten weight load, such as RVs, boats, furniture and decoration, or where thermal insulation is especially important, such as doors, roofs or panelling.
