

**COMMONWEALTH PLYWOOD
DISTRIBUTION**

WE HAVE MOVED

September 2nd, 2022

As many of you know, our London warehouse was severely damaged by a confirmed EF1 tornado on May 21, 2022. Fortunately, this was a Saturday morning, and no one was in the building during the storm.

As a result, limited operations resumed with the full support of our Waterloo branch.

We are pleased to announce that we are completely moved into our new (temporary) location, a block away. A few remaining inventory items are still in external warehouses, but are expected to arrive shortly.

The remaining portion of the Green Valley building still standing, is scheduled to be demolished, as we plan to rebuild a completely new distribution centre.

We thank all of our customers, suppliers and the Commonwealth group of companies for their patience and continued support during the last 3 months.

We look forward to seeing you at our new location.
