

Official launch of the Essenziale collection by Sublime - Kastamonu

We are excited to introduce our latest innovation: the **Essenziale collection**, a result of a valuable collaboration with our new partner, Kastamonu. This unique collection stands out for its timeless elegance, offering **10 beautiful colors**, including 8 classic revamped colors, and 2 brand new exclusives.

Éléments clés de la collection Essenziale

Compatibility & Innovation

- Edge bands and phenolic panels are 100% compatible with the collection.
- Options: Laser, PVC, ABS, thin versions for a flawless finish.

For the launch, the collection is offered exclusively in a double-sided finish and is available only in Slab door, allowing for seamless integration into any interior.

Certifications & Marketing Tools

- Certifications available on our website, ensuring quality and durability.
- Marketing materials: sample binders, slim binders, color chains, 3D textures (coming soon).
